

Bayside Days

Verse 1

We come from a town on the northside of Dublin
Where Dublin bay meets with the sea
Monday to Friday on Verbena Avenue
Dressed in our bright red and grey
Reading and writing, PE and hard sums,
Mrs. Lynch and no homework Fridays
We have craic, sport and spraoi in our school by the sea
Enjoying our best Bayside days!

Chorus

And we all stand together
Growing confident, stronger, independent and free
When they ask us we'll say, its great fun here each day
Our school in Bayside by the sea !!

Verse 2

Trish in the office to always support us
Wes giving us all the high fives,
Laughing and playing as we skip through the yard
At the start of our learning filled days
Ceilis and cake sales, sports days and the choir
School tours and big games in croke park. (Shout) Come-On Bayside
Its all part of being
Young, wild and free in our school by the sea,
Enjoying our best Bayside days.

Chorus 2

Middle 8

When were old and grey we'll look back and say
Those bayside times were the best of days
The friends that we made and the memories we gained
How I wish I was back there again.

Chorus 3
