1. Introduction

This Admission Policy complies with the requirements of the Education Act 1998, the Education (Admission to Schools) Act 2018 and the Equal Status Act 2000. In drafting this policy, the board of management of the school has consulted with school staff, the school patron and with parents of children attending the school.

The policy was approved by the school patron on 31st January 2023. It is published on the school's website and will be made available in hardcopy, on request, to any person who requests it.

The relevant dates and timelines for Bayside SNS admission process are set out in the school's Annual Admission Notice which is published annually on the school's website at least one week before the commencement of the admission process for the school year concerned.

This policy must be read in conjunction with the annual admission notice for the school year concerned.

The application form for admission is published on the school's website and will be made available in hardcopy on request to any person who requests it.

2. Characteristic spirit and general objectives of the school

Bayside SNS is a Catholic co-educational primary school with a Catholic ethos under the patronage of His Grace Diarmuid Martin, Catholic Archbishop of Dublin.

“Catholic Ethos” in the context of a Catholic primary school means the ethos and characteristic spirit of the Roman Catholic Church, which aims at promoting:

- (a) the full and harmonious development of all aspects of the person of the pupil, including the intellectual, physical, cultural, moral and spiritual aspects; and
- (b) a living relationship with God and with other people; and
- (c) a philosophy of life inspired by belief in God and in the life, death and resurrection of Jesus; and
- (d) the formation of the pupils in the Catholic faith,

and which school provides religious education for the pupils in accordance with the doctrines, practices and traditions of the Roman Catholic Church, and/or such ethos and/or characteristic spirit as may be determined or interpreted from time to time by the Irish Episcopal Conference.

In accordance with S.15 (2) (b) of the Education Act, 1998 the Board of Management of Bayside SNS shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

The ethos of our school reflects the living Faith of pupils and staff and is characterised by a caring interactive relationship between teachers and pupils.

The Catholic ethos permeates the school day.

Religious Education is a core subject on the school curriculum and an integral part of the school, and students encounter our Gospel Values during R.E. classes.

Prayer and sacramental experience play an important role in our school. We celebrate together to mark key occasions throughout the year.

The celebration of Mass is an important part of our school year and we bring pupils to celebrate Mass as part of sacramental preparation and also to mark special occasions and at other times as deemed appropriate.

Sacred spaces in the school are decorated according to the liturgical seasons and to celebrate times of special religious significance.

Copies of the bible are available to students for class use as well as to take home.

Charity work is an integral part of how we as a school foster a sense of care, compassion and community which characterised Jesus’ life. An awareness of social issues and action for social justice is at the forefront of our response to our ethos. We have associations with charities such as St. Vincent de Paul, Trócaire, Chernobyl Children’s project, as well as other local charities. Through working with and experiencing the work of these various charities, students are encouraged and challenged to become agents of social change.

Catholic Schools Week is celebrated each year in our school and is a time of special importance in our school calendar.

Our aim is to continue to foster the intellectual, social, emotional and spiritual growth of all the children.

Our approach is holistic, offering a wide variety of learning opportunities and emphasising the interconnectedness of knowledge.

Our school takes account of individual difference and the diversity of children’s circumstances and experiences.

We welcome the involvement of parents through the Parents Association of Bayside Schools (PABS) in a climate of openness and trust.

We aspire to keeping our school a vibrant part of Bayside Community.

Our hope is that at the end of four years the pupils will have reached a stage in their academic attainment and social, emotional and spiritual growth to make an enthusiastic and smooth transition to second level education.

Bayside SNS is a school whose objective is to provide education in an environment which promotes certain religious values and does not discriminate where it refuses to admit as a student a person who is not Catholic and it is proved that the refusal is essential to maintain the ethos of the school.

4. Categories of Special Educational Needs catered for in the school

When making an enrolment application for a child with special needs, parents will be required to provide an up-to-date medical and / or psychological and / or other relevant report to establish the educational and training needs of the child and to profile the support services required to meet those needs. Parents will be given as much support and guidance as possible, with how they can access reports or medical evidence relevant to their application.

Children with special needs will be resourced in accordance with the level of resources provided by the Department of Education and Skills.

5. Admission of Students

This school shall admit each student seeking admission except where –

- a) the school is oversubscribed (please see [section 6](#) below for further details)
- b) a parent of a student, when required by the principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the code of behaviour of the school is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the student

Bayside SNS is a Catholic school and may refuse to admit as a student a person who is not of Catholic religion where it is proved that the refusal is essential to maintain the ethos of the school.

6. Oversubscription

In the event that the school is oversubscribed, the school will, when deciding on applications for admission, apply the following selection criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the school's annual admission notice:

Bayside SNS Selection Criteria

- Children from 2nd class of Scoil Mhuire agus Iosef, Sóisear.
- Siblings and stepsiblings of children already enrolled in the school and children resident in the parish* (the eldest child will have priority in this ranking).
- Children of current staff, including ancillary staff (the eldest child will have priority in this ranking).
- Children of past pupils of the school (this criteria will only be applied to a maximum of 25% of the available spaces as set out in the Annual Admission's Notice).
- Children who reside outside the catchment area of Bayside parish (the eldest child will also have priority).

*the catchment area is defined as the parish of Bayside as set out by the Archdiocese of Dublin. Proper documentation as determined by the Board of Management will have to be provided to prove residency status in the parish area.

In the event that there are two or more students tied for a place or places in any of the selection criteria categories above (the number of applicants exceeds the number of remaining places), the following arrangements will apply:

At the end of each of the above criteria, if the number of applicants is greater than the number of places remaining, then a lottery draw will apply to establish the order of applicants on the waiting list.

This lottery draw will be independently witnessed and verified.

Please note that multiple applications from siblings for enrolment will be treated as a single application, although all names will be entered in the lottery. If the name of one is drawn, the others will automatically be allocated places.

In the case of two applicants in the same criteria with the same date of birth, there will be a draw by an independent person.

When all places are filled, names of applicants will continue to be drawn to establish the order of applicants on the waiting list.

7. What will not be considered or taken into account

In the event of there being more applications to the school year concerned than places available, a waiting list of students whose applications for admission to Bayside SNS were unsuccessful due to the school being oversubscribed will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list of Bayside SNS is in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy.

Applicants whose applications are received after the closing date, outlined in the Annual Admission Notice, will be placed at the end of the waiting list in order of the date of receipt of the application.

Offers of any subsequent places that become available for and during the school year in relation to which admission is being sought will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

The waiting list is valid only for the school year in which the application is made and is terminated at the end of the relevant school year and cannot be carried forward.

14. Late Applications

All applications for admission received after the closing date as outlined in the annual admission notice will be considered and decided upon in accordance with our school's admissions policy, the Education Admissions to School Act 2018 and any regulations made under that Act.

Late applicants will be notified of the decision in respect of their application no later than three weeks after the date on which the school received the application. Late applicants will be offered a place if there is a place available. In the event that there is no place available, the name of the applicant will be added to the waiting list as set out in Section 13.
